EP379 FORGE FLEX W/O ADF/DIN GLASS (copy)

CONFORMITIES/STANDARDS

CE, EN 166, DIN 58214, UKCA, EAC

DESCRIPTION

• The Forge Flex leather mask offers high-performance protection with its split leather construction. This durable material effectively shields against high temperatures, heat and arc light. The mask's lightweight and soft design ensures optimal comfort during extended wear. Additionally, its shawl design provides extra neck protection from potential splashes. Ideal for prolonged work in narrow spaces.
