

**DESCRIPTION**

- Introducing the Defender PAPR Respirator, the perfect complement to our Defender Flip-Up Welding Helmet. Engineered for superior protection and comfort, this advanced powered air-purifying respirator ensures a clean, breathable environment for welders by efficiently filtering out harmful particles and fumes. Its sleek, ergonomic design integrates seamlessly with the Defender Flip-Up Welding Helmet, offering a streamlined solution for optimal safety and ease of use. The Defender PAPR features intuitive controls, extended battery life, and a lightweight, durable build, making it the ideal choice for long hours of demanding work. Experience unparalleled protection and comfort with the Defender PAPR Respirator –where innovation meets excellence in welding safety.

**Specifications/Technical Data**

Airflow Rate	165+lpm (5.8+cfm) Low speed: 170+lpm (6+cfm) High speed: 210+lpm (7.4+cfm)
Fast-charging Standard Battery	170+lpm – 11-13 hours; 210+lpm – 7-9 hours
Battery Charge Time	2.5 hours
Battery Life	500 Charge Cycles
Filter	Filter efficiency: > 99. 997%
Alarm	Audio, visual & vibration
Standards	EN 12941 P R SL, AS/NZS 1716
