EP407 Sonic Guard Series HH/32 (copy)

DESCRIPTION

• Hard hat-mounted ear defenders attach to slots or adapters on the Universal compatible hard hat. They make it easier for workers to wear hearing protection without having to manage a separate piece of equipment. High-performance protection for noisy environments Designed to provide moderate to high level of attenuation that meets the needs of many industrial applications where harmful levels of noise may be encountered. Available in headband, neckband or helmet mounted versions.
